05 Medical needs & learning differences

Please note, it is expected that all students that are enrolled on a program are fit to undertake and complete their studies. However, should a situation arise where there are concerns as to a student's fitness to study, the school will always try to accommodate by organizing reasonable appropriate support with the aim of supporting the student to start and continue with their studies. In rare cases, where this is not possible, the student may be de-matriculated. We always invite students to share any learning difference or medical condition that they believe might affect their fitness to study as early as possible so that we can discuss and organize appropriate support in due time.
