

# Why you can feel safe on our Swiss campuses

Your safety on campus is our number one priority. We have introduced these key precautionary measures at Glion and Bulle campuses. They all align with, or go beyond, the advice of Swiss health authorities\*

Vaccination highly recommended

Swiss COVID certificate allows to access nightclubs, restaurants, bars, fitness and sports facilities, swimming pools, leisure facilities, events held indoors, etc.

Regular testing recommended

Ongoing temperature checks using thermal cameras

Mandatory wearing of face masks inside of campus buildings

Physical distancing in all situations

\* These measures will continue to evolve to follow updated guidelines from the health authorities in our different campus locations.

## Our campus safety measures at a glance

### In all campus public areas

- Numerous hand sanitizers available in all public areas
- Mandatory wearing of face masks in campus buildings

### Main entrance & reception areas

- Equipped with automatic thermal cameras that measure body temperature
- Specific protocol in place (immediate isolation, meeting with health team, etc.) for any instances of excessive body temperature readings

## Classrooms

- Hand sanitizer at entrance of every classroom
- Students allocated to a specific classroom
- Capacity adjusted to latest guidelines from the Swiss authorities
- Classrooms, table-tops, etc. cleaned and disinfected regularly
- Cameras installed in classrooms for live broadcasting to enable remote learning for students
- Video recordings available on our learning management platform

## Library

- Hand sanitizer at entrance
- Capacity adjusted to latest guidelines from the Swiss authorities
- Use of online resources is prioritized

## Restaurants

- Publicly accessible restaurants on the Glion campus (Le Bistro by Décotterd, The Lounge Bar by Décotterd, the Restaurant Stéphane Décotterd) require the Swiss COVID certificate
- 100% cashless payments

## Self-isolation measures

- Immediate self-isolation measures for staff and students if required, according to the campus COVID-19 protocol
- Follow-up by the campus health team, medical doctor or health authorities

## Accommodation

- Reinforced cleaning procedures
- Soap and additional cleaning supplies available

## Health team

- A health team available on campus from Monday to Friday
- Security team on call 24/7
- We maintain regular contact with local medical network and public health authorities

## COVID-19 tests

COVID-19 testing facilities (PCR and/or rapid tests) are available within the local area
