

Why you can feel safe on our Swiss campus

Your safety on campus is our number one priority. We have introduced these key precautionary measures at the Les Roches Crans-Montana campus, in readiness for your arrival. They all align with, or go beyond, the advice of Swiss health authorities*

Reinforced sanitary protocols

Physical distancing in all situations

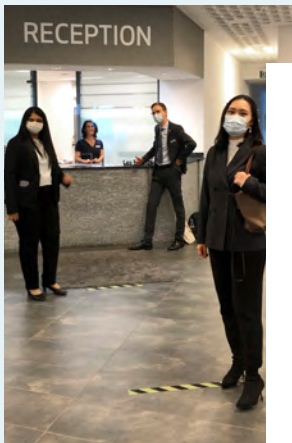

Download of the SwissCovid app recommended

Clear guidelines for personal hygiene

Ongoing temperature checks using thermal cameras

for all students, to support the Swiss contact tracing strategy

Our new safety measures at a glance

In all campus public areas

Campus completely disinfected prior to the arrival of students

Numerous hand sanitizers available in all public areas

Mandatory wearing of face masks on campus

Flow direction/patterns marked on the floor, to enable social distancing

Frequent restroom cleaning (beyond normal hospitality standards)

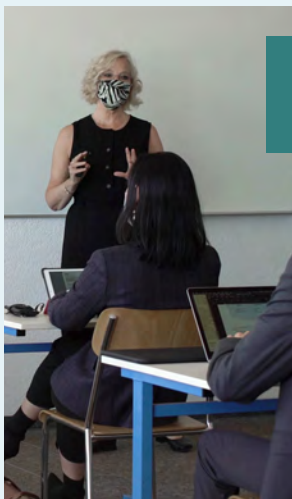

Main entrance & reception areas

Equipped with automatic thermal cameras that measure face temperature

Specific protocol in place for isolation, meeting with health team, etc. for 38°C or above temperature readings

All students and staff must enter in single line

Classrooms

Students allocated to a specific classroom i.e. no change of classrooms during a given day

Hand sanitizer at entrance of every classroom

Seating will be organized to ensure social distancing between students

Classrooms, table-tops, etc. cleaned and disinfected at least three times per day

Cameras installed in classrooms for live broadcasting to enable remote learning for all students

Video recordings available on Moodle within 24 hours

* These measures will continue to evolve to follow updated guidelines from the Swiss health authorities
