

STUDY HOSPITALITY BUSINESS

abroad

AT GLION INSTITUTE OF HIGHER EDUCATION
IN SWITZERLAND OR LONDON

SPRING AND FALL 2024

Why Glion for a semester abroad program?

One of the best business hospitality schools in the world

Glion is a leader in hospitality business education and prepares students for a career which can take them around the world. Upon graduation, you will join almost 17,000 alumni based in over 160 countries. The career choices are almost endless – from managing a 5-star island resort to leading an exclusive corporate event.

Accreditation

Glion Institute of Higher Education is Accredited by the New England Commission of Higher Education (NECHE). NECHE is the oldest accrediting association of the United States and evaluates universities such as Harvard, Yale and MIT.

The London campus is also reviewed by The Quality Assurance Agency for Higher Education (QAA), independent body that monitors on standards and quality in UK higher education.

Excellence in Switzerland since 1962

For 60 years, Glion has been setting the standard of excellence in Swiss hospitality education by providing truly transformative education that develops our students' full potential. Transformed into high-performing business professionals, most Glion graduates enjoy immediate employment and accelerated career paths. In fact, 98% of job-seeking students graduating in 2022 received one or more employment opportunities (data: May 2023).

QS World University Ranking 2023

Glion is continuously ranked among the world's top five higher education institutions for hospitality and leisure management and has also been among the top five institutions for employer reputation since our entry into the rankings in 2018 (QS World University Rankings by Subject, 2023).

Glion study choices in two countries

For our semester abroad program, students can select their preferred location between two of our campuses to match their personal and professional goals. Students can choose between our Bulle campus in Switzerland, or our London campus in the United Kingdom.

Bulle campus, Switzerland

The campus feels like a business college, set between beautiful mountains, a medieval town and a thriving city. The historic old town of Bulle has a chateau and weekly market, mixed in with modern buildings and shops, trendy bars and cafes. It's the perfect place for students to relax and concentrate on their studies while having easy access to everything a student might require.

London campus, United Kingdom

Situated in Downshire House – a seventeenth-century mansion – Glion London offers a modern learning environment in a historical setting. Located just over half an hour away from the West End, students can enjoy a range of artistic, cultural and entertainment choices. Students also experience the exciting city of London, a thriving metropolis for business, tourism and education.

Academic semester in Switzerland or London

This semester-long program has been designed to give students the opportunity to learn at the home of hospitality: Switzerland or in London*, the thriving metropolis for business and tourism.
