They will be informed accordingly before the start of the semester), as well as PG and Master's programs' students (except Executive students who are accommodated in a hotel). Les Roches Marbella offers off-campus accommodation near the campus. Off-campus accommodation for Master students is not covered during the summer break in the March intake or the winter break. (Accident insurance coverage is included for all students in the main tuition fees. Les Roches Marbella cannot be held responsible for the theft of personal belongings, student damage or third-party insurance.

Personal and private insurance, to cover issues such as damage or theft of personal property, is not mandatory but is strongly recommended and is the student's responsibility. The health insurance fee to cover the internship semester will be sent with the invoice for the previous on-campus semester.

Laptop Policy

Students will need to have individual access to our intranet website which hosts student information including support, teaching documents and other learning resources.

Students may bring their own laptop provided it meets the institution's requirements.

Personal expenses

It is estimated that students require on average sum of 300€ per month to finance their out-of-pocket expenses such as snacks and drinks, entertainment, personal supplies, laundry, and any other personal expenses.

Internships (if applicable)

If the program of study includes internship periods, the student is requested to complete their internship(s) in establishments approved by Les Roches. The main objective is to prepare students for their professional career by developing their managerial, entrepreneurial, and personal skills to their fullest through interesting and challenging internships.

Les Roches has established excellent relationships with the hospitality and tourism industries, and a wide choice of training opportunities is offered to students in large, medium, or small companies, in Spain or abroad. However, some countries can be restricted by government visa, work permit, policies and/or language requirements.

Although internships are generally paid by the employer, the remuneration received cannot be expected to finance studies at Les Roches.

Visa application procedure for accepted candidates

As some students will require a student Visa to enter Spain (countries not belonging to the European Union), they are kindly requested to verify visa requirements for their nationality and apply at the right time.

Accepted candidates will receive an acceptance letter from the Admissions Department detailing the visa procedure. For students who need an entry visa, it is imperative to request a one-year student visa type D (not a tourist visa, except for the Executive Program). Students are strongly advised to apply immediately as it takes at least two months to obtain a visa. You can speak with your Educational Counselor for any questions about the procedure.

Candidates must make a personal request at the Spanish Embassy / Consulate in their country of residence and present the school's attestation. Once the visa is approved (approx. 8 weeks), the

Embassy / Consulate will notify the candidate who then must collect the original visa from the Embassy / Consulate.

Candidates with European Union passports need only to send the required documents to the school.
