Reservations

Book a table for Le Bistro Restaurant and/or Stéphane Décotterd Restaurant at reservations.decotterd@glion.edu or **+41 (0) 79 762 32 97**.

A shuttle service from Bulle to Glion can be exclusively organized for students in Bulle with a reservation at Maison Décotterd. This service can be booked [Glion Student Portal](#) under “Shuttle”.

Using your student card

Carry your student card with you at all times for access to your: room, printer account, F&B account and personal account.

F&B ACCOUNT

- Present your student card every time you consume – amounts will be deducted directly from your card.
- Prices displayed in all outlets are what you will be charged and any meals or drinks you select will be deducted directly from your F&B account on your student card.
- Balance available on receipt.

PERSONAL ACCOUNT

This is used for items purchased from vending machines and non F&B items sold at Student Concierge.

LOADING MONEY ON YOUR CARD

This can be done by credit card, using the [SECANDA app](#) or cash or credit card at Student Concierge on both campuses.

PREPAID AMOUNT

- The prepaid amount must be used **before the end of your semester**.
- The prepaid amount is **not refundable or transferable**.

If you lose your student card

- Cancel it and order a new one at Student Concierge or block it on the Polyright application. This action will block your balance and your room access.
- For a charge of 20 CHF, you can get a new card from Student Concierge (your funds will be transferred).
- Glion is not responsible for any losses incurred on lost cards so it's important that you take care of your student card.

Please note that GIHE reserves the right to temporarily block your F&B account on your student card at any time for special reasons (suspension of studies, non-payment of fees, etc).
