Scholarships

As a private institute, Glion provides a limited number of scholarships for new and returning students. Scholarships are competitive and linked to Glion's admissions strategy, which aims to assist motivated young people to study at our institution. Each scholarship has specific criteria, and eligibility for a scholarship is examined on a case-by-case basis for those students who have submitted a complete application. Scholarships are granted at Glion's sole discretion. Scholarships apply to tuition only, are not cumulative and do not apply to retake fees. The Scholarship Policy is reviewed each year and can be changed at any time and without prior notice.

Refund policy

Except as described hereinafter, all fees outlined and paid for are non-refundable. As per the pre-payment section, if a new student cancels before the official program start date, only the pre-payment of CHF 5,000 will be retained. If a student is dismissed or withdraws from the program after the first module started, all fees are non-refundable. If the student has to take a break from their studies due to mitigating circumstances approved by the Glion Students Accounting committee, any unused fees for tuition will be credited if the student returns to Glion within two years. The unused tuition fees are proportional to the number of modules remaining in the program that have been invoiced for. In any case, if the due fees for the program have not been settled in full, the outstanding amount will be (or become in case of payment plan) immediately due and Glion will ask for instant payment.

Sponsorship

Sponsorship is a financial commitment by a sponsor (parent, legal guardian or any other person) where the sponsor undertakes to pay any fees and other charges on behalf of the student. Notwithstanding any sponsorship commitment as part of the application process, the student remains liable for any outstanding debt. Any reference in these Terms and Conditions to liability of students shall also infer liability on the sponsor of the student as the case may be and such liability is joint and several.
