Glion Master's Experience Program 2024

At Glion, we've been teaching luxury and hospitality since 1962. Now we've gathered all those years of know-how into a summer program designed for those aiming for the top and considering enrolling on one of our Master's programs.

Across one immersive week, you will enjoy the perfect introduction to these exciting, fast-growing and professionally rewarding industries. Our Master's Experience Program is the perfect opportunity for you to immerse yourself in these dynamic and diverse industries, as well as to discover why Glion is the destination of choice for ambitious talents aiming for successful, global careers.

You can expect:

Academic masterclasses in the world of luxury, hospitality business, excellence, experiences and design

Insights into the trends that matter in the luxury and hospitality industries, as well as entrepreneurial businesses

Practical workshops and guest experiences

Exclusive visits to celebrated luxury venues and hospitality destinations

Gourmet dinners with participants, Glion alumni and other influential guests

Extracurricular social activities to discover the Swiss Riviera

Glion/Montreux, Switzerland

One week program for 18+ year olds
21–28 July 2024 • CHF 3,500
