Intensive Hospitality English Language Program (IHELP)

6-week program In Switzerland
2024

Intensive Hospitality English Language Program

Our six-week IHELP course in Crans-Montana offers intensive English language study, while also teaching important hospitality industry communication skills and knowledge.

If your English is not quite at the level needed to meet the entry requirements of your chosen academic program, then IHELP can get you there. Some students who already meet the entry requirements will opt for IHELP as an ideal way to build their confidence in using English before starting their program. And for others it provides an early opportunity to settle into life in Switzerland.

Our experienced teachers tailor the course to individual student needs, with a focus on building English grammar, vocabulary, speaking, listening, pronunciation, reading, writing and study skills.

An English immersion

You will be immersed in an English-speaking environment on our campus, interacting in English with fellow students and faculty in many social and academic situations.

Cosmopolitan & diverse

Though we teach exclusively in English, we welcome more than 100 nationalities to campus. By sharing a common language you will be able to make friends with people from every corner of the world.

Uniquely Swiss experience

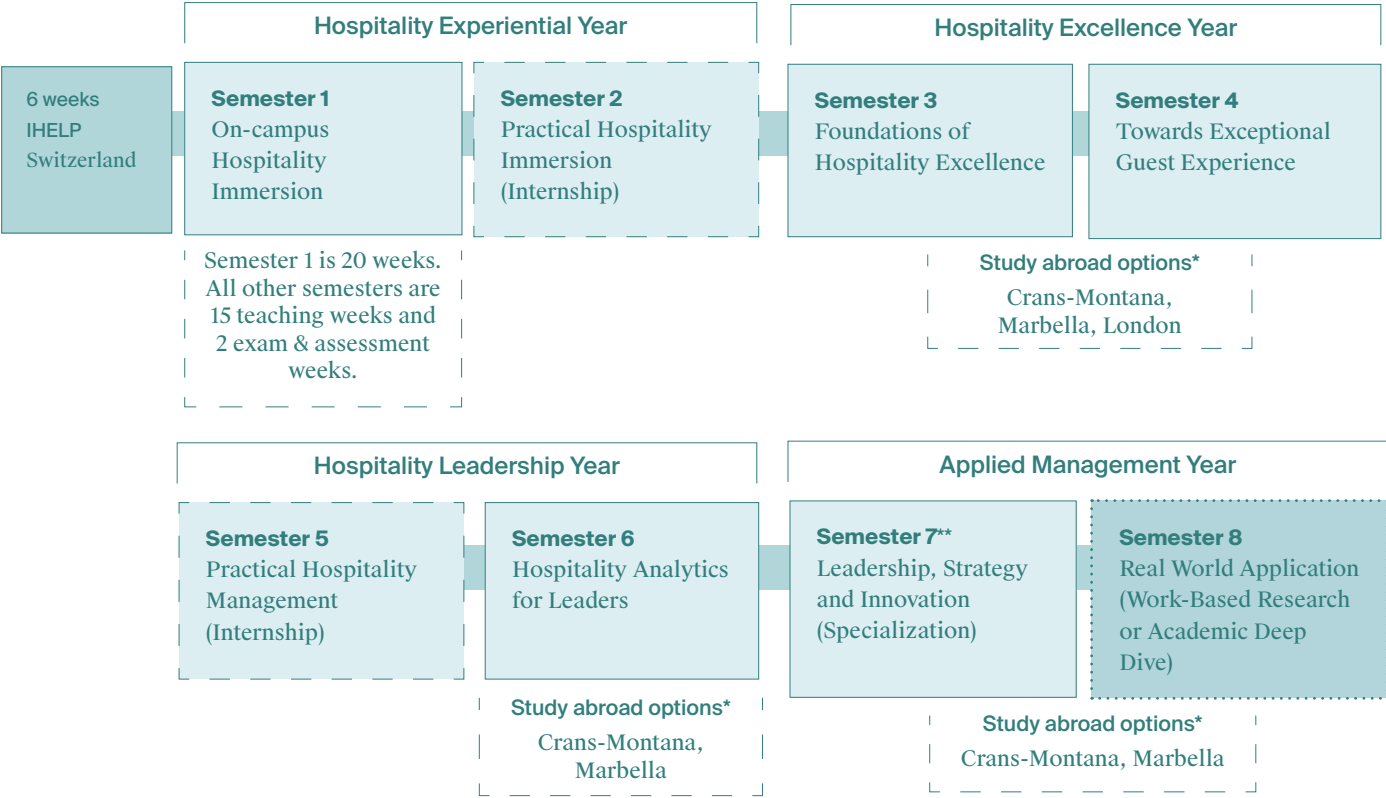

Your stunning Alpine surroundings will encourage a healthy, outdoor lifestyle; while learning in Switzerland will expose you to cultural influences from France, Italy, and Germany, a rich historical heritage, and an innovative international society.
