

Why you can feel safe on our Swiss campuses

Your safety on campus is our number one priority. We have introduced these key precautionary measures at Glion and Bulle campuses. They all align with, or go beyond, the advice of Swiss health authorities*

Reinforced sanitary protocols

Clear guidelines for personal hygiene

Physical distancing in all situations

Ongoing temperature checks using thermal cameras

Mandatory wearing of face masks at all times on campus premises

Download of the SwissCovid app recommended for all students, to support the Swiss contact tracing strategy

* These measures will continue to evolve to follow updated guidelines from the health authorities in our different campus locations.

Our well established safety measures at a glance

In all campus public areas

- Campuses completely disinfected prior to the arrival of students
- Numerous hand sanitizers available in all public areas
- Mandatory wearing of face masks on campus
- Flow direction/patterns marked on the floor, to enable social distancing
- Frequent restroom cleaning (beyond normal hospitality standards)

Main entrance and reception areas

- Equipped with automatic thermal cameras that measure body temperature
- Specific protocol in place (immediate isolation, meeting with health team, etc.) for any instances of excessive body temperature readings
- All students and staff must enter in single file

Classrooms

- Hand sanitizer at entrance of every classroom
- Seating with at least 1 meter distance between students
- Students allocated to a specific classroom i.e. no change of classrooms during a given day
- Air conditioning disabled and replaced by regular opening of doors and windows
- Classrooms, table-tops, etc. cleaned and disinfected at least three times per day
- Cameras installed in classrooms for live broadcasting to enable remote learning for students
- Video recordings available on our learning management platform within 24 hours

Library

- Hand sanitizer at entrance
- Social distancing of at least 1 meter is enforced through floor markings
- Use of online resources is prioritized

Restaurants

- Social distancing of at least 1 meter is enforced for seating and in queues
- Tables and chairs cleaned and disinfected after guests have departed
- 100% cashless payments

Self-isolation measures

- Immediate self-isolation measures for staff and students if required, according to the campus COVID-19 protocol (including tracing of contacts)
- Follow-up by the campus health team, medical doctor or health authorities

Accommodation

- Reinforced cleaning procedures
- Soap and additional cleaning supplies available in all rooms

Health team

- A health team available on campus from Monday to Friday
- Security team on call 24/7
- We maintain regular contact with local medical network and public health authorities

COVID-19 tests

COVID-19 testing facilities (PCR and/or rapid tests) within 15-minutes' drive from our campuses, accessible to students
