After the pre-payment is made, all students choosing the school accommodation will receive instructions by email on making a room reservation in our online lodging platform while the invoice by default will show double room (only for BBA).

Les Roches offers accommodation near the campus for BBA6&7, PGD and Master's students (except Executives, they are lodged in a hotel). Students can purchase accommodation through the school. Accommodation managed by Les Roches Marbella includes all costs relating to heating, electricity, maintenance, bed linen, housekeeping service (once per week), free wifi and residential kitchen facilities.

Non-Smoking Policy

Please note the campus is a smoke-free area,

Students who do not provide a valid private health insurance will automatically be registered in Les Roches' private health insurance. Accident insurance coverage is included for all students in the main tuition fees. Les Roches Marbella cannot be held responsible for the theft of personal belongings, student damage or third-party insurance.

Personal and private insurance, to cover issues such as damage or theft of personal property, is not mandatory but is strongly recommended and is the student's responsibility. The health insurance fee to cover the internship semester will be sent with the invoice for the previous on-campus semester.

Laptop Policy

Students may bring their own laptop provided it meets the institution's requirements.

Specifications are published on our website at lesroches.edu/apply/accepted-student-information/computer-policy.

Personal expenses

It is estimated that students require on average sum of 300€ per month to finance their out-of-pocket expenses such as snacks and drinks, entertainment, personal supplies, laundry, and any other personal expenses.

This is an estimation based on a student with full board and accommodation managed by Les

Roches Marbella.

Internships (if applicable)

Although internships are generally paid by the employer, the remuneration received cannot be expected to finance studies at Les Roches.

Visa application procedure for accepted candidates

Candidates whose passport is neither from a country member of the European Union (EU) nor the European Economic Area (EEA), and non-Swiss nationals, are kindly requested to verify visa requirements for their nationality and apply at the right time.

Accepted candidates will receive an acceptance letter from the Admissions Department with the visa procedure. It is imperative to request a 90 days student visa type D/long term visa (not a tourist visa, except for executive programs).

Please speak with your Educational Counsellor for any questions about the procedure and kindly note that it may take at least 2-3 months to obtain a student visa.

Candidates with a passport from a country member of the EU or the EEA or Swiss nationals, do not require a visa.

Exchanges

As part of their academic program at Les Roches, students may be offered the opportunity to study in another Les Roches or Glion campus (Glion is a sister school also accredited by NECHE with campuses in Switzerland and the United Kingdom).

Such opportunities are subject to approval by Les Roches as per selection criteria determined by Les Roches at its sole discretion. The opportunity to study in a Glion campus is however limited to one semester across the program (and possible during certain semesters only). As a limited number of students may benefit from these

opportunities each semester, Les Roches does not guarantee that any student may benefit from these opportunities. Students interested in such opportunities must comply with the then-current procedures and deadlines (files are reviewed by Les Roches on a first come first served basis).

In case of acceptance, the student will pay the tuition and other fees applicable for the concerned semester(s) directly to the host campus according to the rates applicable at the host campus for the concerned semester and Les Roches does not guarantee that any scholarship granted by the Les Roches home campus will be maintained by the host campus as the case may be. Students will also be solely responsible for any other expenses incurred, such as but not limited to travel expenses, visa fees and any other private arrangement for the semester(s) in the concerned host campus. Students are usually given a week after official acceptance to cancel their exchange without incurring any fee. After this deadline, a cancellation fee applies.

During their semester(s) abroad, student shall at all times comply with all rules, regulations and policies of the host campus, as they may be revised from time to time, including without limitation those related to academic, disciplinary, residency or financial matters.

Transfers

Les Roches also offers the opportunity to permanently transfer to another Les Roches or Glion campus. Such opportunities are subject to standard admission rules of the host institution. Degree will always be delivered by the institution where the student finishes the final year of academic study. All Les Roches & Glion degrees are accredited by NECHE.

Late cancellation fee & refund policy

The tuition fees paid for each semester are not refundable. If a new student cancels before the

official arrival date on campus, only the pre-payment (reservation) and application fee will be retained.

If a student is dismissed or withdraws from the semester, only the fees covering the accommodation, board and insurance are reimbursed (proportional to the number of weeks remaining in the semester for accommodation and board, remaining months for insurance).

Any credits on account will be carried over and deducted from the invoice for the following semester and respectively refunded 3 months after final check-out at the end of the program. Les Roches Marbella reserves the right to review and modify the tuition fees of each semester at any time and without notice.

If a returning student cancels his/her studies after the deadline of 15th of May (for the September intake) or 1st December (for the March intake) and without a written notification, the pre-payment will be kept in the student's account for the next intake.

If a student is suspended, expelled, or withdraws on his/her own wish once the semester has started, no fees will be reimbursed. In case of mitigating circumstances (e.g. medical, financial hardship, or similar), validated by a member of the school's management as part of the early check-out procedure, exceptions may apply.

Accreditations

New England Commission of Higher Education

Les Roches Global Hospitality Education is accredited by the New England Commission of Higher Education (formerly the Commission on Institutions of Higher Education of the New England Association of Schools and Colleges, Inc.).

Accreditation of an institution of higher education by the Commission indicates that it meets or exceeds criteria for the assessment of institutional quality periodically applied through a peer review process. An accredited college or university is one which has available the necessary resources to achieve its stated purposes through appropriate educational programs, is substantially doing so, and gives reasonable evidence that it will continue to do so in the foreseeable future. Institutional integrity is also addressed through accreditation.

Accreditation by the Commission is not partial but applies to the institution as a whole. As such, it is not a guarantee of every course or program offered, or the competence of individual graduates. Rather, it provides reasonable assurance about the quality of opportunities available to students who attend the institution.

Inquiries regarding the accreditation status by the Commission should be directed to the administrative staff of the institution. Individuals may also find information on:

Recognitions

Recognized as a degree-awarding institution by the education department of the Canton of Valais (Les Roches Crans-Montana)

Since 2015, Swiss higher education institutions have the obligation to acquire federal institutional accreditation. As a result, internationally

renowned and highly ranked public and private institutions were not institutionally accredited in Switzerland.

Before 2015, Les Roches, alongside other private institutions in Switzerland, opted for foreign institutional accreditation or local recognition of programs.

Les Roches currently holds:

- Institutional accreditation since 2006 from the New England Commission of Higher Education (NECHE), allowing graduates to transfer to other institutions with an internationally recognized degree.
- Program recognition since 2002 from the higher education authorities in charge of assessing and recognizing programs within the Valais region of Switzerland, allowing students to receive degrees endorsed by the local authorities. Les Roches academic programs are however not covered by the “Ordonnance du Conseil des hautes écoles sur la coordination de l’enseignement dans les hautes écoles suisses (CSHE)” of November 29, 2019, and thus do not provide automatic access to the Swiss higher education sector.

Constantly pursuing academic excellence, Les Roches actively seeks additional higher education accreditation in its continuing commitment to quality enhancement and to providing students with the best possible positioning to succeed in their future endeavors, both academically and professionally. As a result, Les Roches has entered the process of Swiss Institutional Accreditation, recently made available to Swiss private schools. Les Roches has been officially accepted as a candidate for Swiss federal accreditation as a University of Applied Sciences Institute.

Les Roches academic programs are, however, not yet covered by the “Ordonnance du Conseil des hautes écoles sur la coordination de l’enseignement dans les hautes écoles suisses

(CSHE)” of November 29, 2019, and thus do not provide automatic access to the Swiss higher education sector.

Les Roches remains available to clarify any questions related to the above statements and to support its graduates in the recognition of their academic credentials.
